**ORDER**

This matter is before the Court on Defendant's motion to stay proceedings pending a ruling on its motion for judgment on the pleadings. [Doc. 12]. Defendant does not state whether Plaintiff opposes the motion.

The scheduling order in this matter directs the parties to follow certain procedures with regard to non-dispositive motions:

Prior to filing any non-dispositive motion, a party must contact the non-moving party (or parties) to determine whether the non-moving party opposes the motion. The moving party must then report in the motion whether the non-moving party (or parties) opposes the motion and, if so, the grounds the non-moving party states for the opposition. No motion will be granted that does not include such a statement of the non-moving party's position or a statement that the moving party has attempted in good faith to obtain the non-moving party's position but has been unable to do so.

[Doc. 10 at 3-4]. Because Defendant's motion does not contain the required information, the motion is hereby **DENIED WITHOUT PREJUDICE**. [Doc. 12].

**IT IS SO ORDERED**, this the 10th of March, 2017.
